COMMENTS:

This bill would establish the California Colorectal Cancer Prevention Fund for taxpayers to designate a contribution on the personal income tax return.

The August 24, 2005, amendments would provide parameters to govern the use of the designated moneys from the California Colorectal Cancer Prevention Fund. These parameters would include requiring grantee foundations to qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue Code. These and other changes do not impact the department's policies or programs or state income tax revenue. The remainder of the department's analysis of the bill as amended August 15, 2005, still applies.
